

## WSTIMS For Windows

### Fix List

Status	Priority	Program Version	Component	Issue	Notes
Closed	M	1.0.1.68	Running Order	When you using the filter bar for collegiate tournaments only one of the selection divisions is being shown when more than one division has been checked.	Fixed
Closed	M	1.0.1.68	Jump Entry	Errors were encountered calculating distances when using meters	Found and fixed an error.
Closed	M	1.0.1.68	Team Setup	Need collegiate all stars to default number of team skiers to 10	Default number of team skiers to 10 when tournament name has "all star" contained within it.
Closed	H	1.0.1.68	Install	Issues were encountered when installing the program for the first time on a computer	Found some inadvertent references that were not available when installing and this caused the install to fail. This has been correct.
