

WSTIMS For Windows

Fix List

Status	Priority	Program Version	Component	Issue	Notes
Closed	M	1.0.1.69	Jump Entry	When calculating distances using meters the meter reading entry fields should be after the entry fields for the boat time. The times are always called before the meter readings	Done
Closed	L	1.0.1.69	Tournament Management	Set number of team skiers to 10 when "All Star" is in the tournament name for a collegiate tournament to accommodate the collegiate all start competition that has 10 skiers per team.	Done
Closed	L	1.0.1.69	CodeValueList	Updated records for AWSA, IWWF, and NCWSA	Updated
Closed	L	1.0.1.69	Slalom Entry, Trick Entry, Jump Entry	Add new option to the Live Web feature to post scores to a Twitter account.	A new optional feature was added to the Live Web dialog to post scores to Twitter. Either a default account can be used or an account of the users choosing.
