# WSTIMS For Windows
## Fix List

| Status | Priority | Program Version | Component | Issue | Notes |
|---|---|---|---|---|---|
| Closed | H | 1.0.1.58 | Official Work Assignment | Rows are being added when updates are made and creating extra empty rows. | Corrected issue with validation to ensure extra rows are not added. |
| Closed | M | 1.0.1.58 | Official Work Assignment | Pressing enter on the last name in list returns the row before that. | Fixed the issue by adding a blank row to the bottom of the list |
| Closed | L | 1.0.1.59 | Slalom Entry | Add score to skier list grid | |
| Closed | L | 1.0.1.59 | Jump Entry | Add score to skier list grid | |
| Closed | L | 1.0.1.57 | Trick Entry | W or WB calculated half of one ski points in an AWSA tournament. | Need to add validation to prevent this for AWSA and IWWF tournaments |
| Closed | H | 1.0.1.57 | Jump Summary | Skiers tied but had a runoff but summary is still showing a tie | Found and corrected an issue with retrieving jump runoff data. |
| Closed | H | 1.0.1.57 | Trick Summary | Skiers tied but had a runoff but summary is still showing a tie | Found and corrected an issue with retrieving jump runoff data. |
| Closed | H | 1.0.1.57 | Running Order | Not able to set skier to class L for when using the regional or national tournament class of B or A | Updated processing to use the corresponding event skier class associated with the tournament class |
| Closed | H | 1.0.1.57 | Tournament List | When you change the tournament class it changes all skiers with the previoius class to the current class.  However it is using the tournament class itself and not the corresponding event class | Updated processing to use the corresponding event skier class associated with the tournament class |
| Closed | L | 1.0.1.57 | Member List | Remove all not working | Corrected logic to delete all members when used |
| Closed | L | 1.0.1.58 | Trick Entry | IWWF only allows 6 flips | Fixed code to look for 6 flips and limit to that for IWWF rules are class L/R |
| Closed | H | 1.0.1.58 | Summary Reports | Should not use division order as sort | Reverted to sorting by divisions. |
| Closed | L | 1.0.1.58 | Web Scorebook | Trick title in jump column | Issue was in IWWF version of championship report.  Now fixed. |
| Closed | H | 1.0.1.58 | Running Order | Errors being encountered when using the order by round feature | Fixed errors that were encountered due to changes to support international divisions. |
| Closed | H | 1.0.1.59 | Slalom Team Summary | Errors when generating.  Showing issue with PlcmtTour missing | |
