WSTIMS For Windows
Fix List

Status	Priority	Program Version	Component	Issue	Notes
Closed	H	3.0.0.10	Team Summary	AWSA Special report did not produce expected results	This report format requires specific selections to work properly and the documentation to run this report specified an incorrect selection. Enhanced report to ensure correct paramters are used when the AWSA Special format is selected.
Closed	H	3.0.0.10	Team Management	No way to print team rosters	Added a team roster report when the print icon is selected.
